

Services & Pricing

We build handcrafted, responsive websites and powerful applications made just for your business. Every project is custom-coded from the ground up—no templates unless requested. Clear pricing, fair terms, and quality you can trust.

◆ Responsive Business Websites

Whether you're a solo entrepreneur or a full-scale corporation, we offer tailored website packages to fit your size and goals.

Small Business Website

Perfect for freelancers, solo startups, and local businesses needing a simple yet professional online presence (typically 1-2 pages)

- **Price:** \$1,000
- **Maintenance Fee:** \$200 per update

Medium Business Website

Best for growing companies with more pages, services, or custom features (typically 3 pages).

- **Price:** \$1,500
- **Maintenance Fee:** \$500 per update

Large Business / Corporate Website

Designed for corporations or large organizations that require custom-built features, scalability, and more complex structures (multi-page, integrations, etc.).

- **Price:** \$5,000
- **Maintenance Fee:** \$1,000 per update

Add-Ons & Extras

- **Additional Pages:** +\$150 each
- **Chatbot Integration:** +\$150
- **Late Additions** (features not agreed upon at contract start): +\$150 per item

Web & Desktop Applications

Need more than a website? We develop high-functionality applications tailored to your needs.

Includes:

- Web Applications (e.g., browser extensions, dashboards, AI tools)
- Desktop Applications (custom-built tools for Mac/Windows/Linux)
- **Development Fee:** \$5,000
- **Maintenance Fee:** \$1,000 per update
- **Late Additions** (features not agreed upon at contract start): +\$150 per item

 You must provide your own account for any third-party software or platform you'd like us to work with.

Project Requirements

- You must have your **own domain and hosting provider**
- Hosting must support **easy file uploading** (FTP or file manager)

- All sites are **hand-coded** unless you request a web builder
 - If using a web builder, you must provide access to your own account in some way (guest or team mode)
-

Payment Terms

- **50% upfront** before development begins
 - **50% due** upon completion
 - No additional fees if the contract needs to be ended early
-

Getting Started

To begin working with us:

1. **Send an email** with a brief description of what you need
2. If it's a fit, we'll schedule a call via **Zoom** or **Microsoft Teams** to discuss the project in more detail
3. You'll receive a **written contract** outlining the agreed services, scope, and pricing
4. After both parties sign the contract, development begins!

 Also, please include the **best way to reach you** for progress updates or questions during the project.

If we're not the right fit for your project, we'll gladly refer you to someone who is.
